Newsletter of the OLD DOBBS COUNTY GENEALOGICAL SOCIETY
P.O. Box 617, Goldsboro, NC 27533

OCT-NOV-DEC 1994

Nos. 4,5,& 6

Dear Members:

I congratulate ALL of you. You are AWARD WINNERS!!!!
As a part of the OLD DOBBS COUNTY GENEALOGICAL SOCIETY, you share in the honors bestowed upon us.

On 5 November, Charles and I were privileged to accept in Asheville, THE MALCOLM FOWLER SOCIETY AWARD and THE NEWSLETTER AWARD from The North Carolina Society of Historians. You will find a copy of the nomination inside the Newsletter.

Your support, encouragement and interest are responsible for these awards. I thank you all and let's keep up the good work shown by the members of our Society. At the present time you live in many of the fifty States including Alaska and Hawaii, and in Saudi Arabia. Your Society receives inquiries from around the world. We try to be prompt in responding but sometimes I'm sure it must seem forever to you to hear from your letter. We try to give you as much information as is available at the time. There never seems to be enough time available to do a search job for you, so please bear with us when you do write, but by all means keep those letters coming. We can use some of that information in the newsletter, especially if it is in the Query category. Also, please send us your family unit sheets, especially if you have OLD DOBBS roots. We would like to compile an up-to-date listing of our members and the surnames you are researching. We have just received an inquiry from Mrs. Vontrece Miller of Citrus Heights, CA stating that she is working on her families of BRIGHT, TREWHITT, TRUEETT. I plan to get her in contact with member George W. TREWITT of Hust, TX. That's what it is all about. Thank you for being members.

The next meeting will be 3 DECEMBER, 11:30, at Western Sizzlin. Jerome Tew will speak on writing a family history.

Our Thanks to Georgia & Elliott Futrell for all of the hard work in arranging for the Workshop/Seminar by HERITAGE QUEST.

A Copy Of the Nomination for THE MALCOLM FOWLER SOCIETY AWARD

The OLD DOBBS COUNTY GENEALOGICAL SOCIETY is a major component of the award-winning WAYNE COUNTY HISTORICAL ASSOCIATION. The SOCIETY has a membership throughout the United States and in Saudi Arabia and Canada. The membership is growing primarily because of the Newsletter. It carries stories of local and far-reaching interest; publishes family ancestral charts; family histories (in sketches); queries from members and non-members from around the world; and notices of upcoming genealogical society meetings within the eastern seaboard. Our emphasis is on the heritage of OLD DOBBS COUNTY. Although the County as such does not exist today, the "roots" of many of our members exist here. Dobbs County was created in 1758 from the eastern portion of Johnston County. Wayne County was formed from a part of Dobbs in 1779. A part of Wayne County was annexed in 1855 to form Wilson County. Dobbs County per se has disappeared, its area annexed to form Jones, Glasgow (now Greene) and Lenoir Counties.

The Society and its Newsletter provide an immeasurable service in collecting, publishing, and preserving the heritage of such a large area, the actual bounds of which are not known. We expect to be able to determine the boundaries at such time when we complete an indepth study of all of the early land grants for the area. We are also planning to conduct an extensive survey of the Cemeteries of Wayne County to update and supplement Vol. 1 of the GRAVESTONE INSCRIPTIONS published by the Wayne County Historical Association. We are also conducting an inventory of the libraries in the OLD DOBBS area to determine which of the publications on genealogy, family history, etc. we might contribute. We are also arranging to have an Eagle Scout project include the cleanup of one of our many abandoned cemeteries (this particular cemetery contains the remains of Elizabeth McKinne Washington consort of General Nicholson Washington (a kinsman of George Washington. Elizabeth is the daughter of the "Father of Wayne County" - William McKinne.) We have a small, but enthusiastic group of dedicated genealogists, some of whom spend their waking hours researching and preserving our heritage.

The International Society of the Descendants of Charlemagne is pleased to announce that they will be releasing their computer data base for public use. This data base contains the genealogical records of its membership linked to the main body of records of the medieval and royal families of Europe. This data base will be available by computer modem for a modest access fee. Individuals interested in accessing the data base may write to the Society for the necessary instructions and registration forms.

It is anticipated that the files will go on line sometime during January of 1995. There will be a limit of 400 participants during the initial period. Additional slots will be made available as needed.

Participants will be permitted to submit their own files for inclusion in the data base. For additional information you should write:
