Olde Dobbs Trails

Jan. Issue 1984

Dear Members,

As our new year begins I want to thank all of you for your support since I took office as President. I am looking forward to the coming six months and the continued growth of our Society.

Our speaker for the Jan. meeting will be Dr. Charles Holloman. He is the acknowled authority on Dobbs County. Dr. Holloman has created a map of Dobbs County and has been kind enough to give the society permission to reproduce and offer these maps to the society members. If you are interested please send a check, for \$1.50 payable to Old Dobbs Co. Genealogical Society, to treasurer Mrs. Cullen B. Hatch,

{address removed}

Dr. Holloman is currently working on a history of Dobbs County. If you are interes in being on the mailing list for notification of publication date and cost please notify Dr. Holloman, his address is {address removed}

Additionally in the Mar. issue of the newsletter we will have a copy of Dr. Hollom talk.

Our guest speaker for Feb. will be Mr. Kendrick Simpson, staff member of the N. C. State Archives. Mr. Simpson's topic will be N. C. Revolutionary War Records.

As a "presidents project" I am working on abstracting the land grants of Dobbs Co. I have finished the "A"'s and most of the "B"'s. If you could give some time to this project please call me at $\{removed\}$ It will involve going to the land grant office in Raleigh to do the copying.

Due to Charlotte Carrere's continued disability from the auto accident I will be taking over her classes at Wayne Community College. These will be very basic classes in how to begin genealogical research. I'm looking forward to the challenge of teaching and appreciate the support I have received in this venture.

Carol Peele, President

From the Editor for your information:

Many of us have been disturbed over the length of time it takes to get Revolutionary War Service Records-take heart help has arrived!

The National Archives is making these records available through the Census Micro-film Rental Program.

This Rental Program now enables the patron to order any census from 1790 thru 1910 for a small fee. While we would remind Society members that the Wayne Community College library has the entire NC census 1790thru 1910, we realize this rental program is invaluable for many people. Please call Mrs. Carolyn Griffin at the library 735-1824 for complete details.

I recently became aware of R. J. Kranek & Associates, P. O. Box 2792, Lakeland, Fla. 33803. They have a fine collection of parish maps of England, Scotland, Wales & Ireland. Reasonable prices (generally \$5 which includes mailing and taxes) some large parishes are \$8. If interested send a request for their listings.

Do you ever moan over the money you've invested in books, memberships; etc.? Remember one way to re-coup this expense is to pass the books and publications on to the Local History Room of our library. The library will send you a letter acknowleging the gift and it's value - you will then be able to declare it on your taxes as a gift. Don't forget our memorial fund as well - we urge you to remember deceased family and friends in this way. Such a gift will ensure years of pleasure and help to many.

Now for the bad news "As of 1 Jan 1984 you can no longer get certified copies of births, deaths or marriage for other than your own immediate ancestors. You can't get your spouse's information without a letter of authorization. Ed. Warren, Director of Bureau of Vital Records had hoped to completely close these records to the public (you can still hand copy info but certified copies - NO!). Those of us interested in genealogy can thank our State Representative, Martin Lancaster, for the fight to prevent the absolute closing of records. If you see Martin do remember to thank him for his efforts. Let's see what we can do to change this law when the legislature meets in June.

This issue includes three pages of material submitted by Society member Theodore E. "Ted" Perkins. Ted is a noted genealogist whose speciality is Quaker families and Quaker records. Ted presented a program for the Society last year.

Also included are the Wayne Wills listed in Olds Abstracts of N.C. Wills. These were donated by Society member Elliott Futrell.

If you have similar material and would share it please send copies to me at my home address: {address removed}

I received a Christmas card from our former V-Pres. (and still member) Capt. David T. Johnston. He asked me to "give my best regards to all my friends in Goldsboro. I

I would like to thank all the members who have called asking about my faw. It has been a long haul and hopefully the end is in sight! It has been terrible not to talk as I am accoustomed to doing but perhaps my husband and family have enjoyed that!

OUFRIFS:			

Would like to correspond with people interested in the Pate, Sasser, and Lancaster families of Wayne County. I especially need to find the parentage of: Lewis Pate, b. ca. 1785, d. 1864: Bryan H. Pate b. ca. 1786 d. 1856: William Sasser b. ca. 1787 d. 1858: and Uriah Williams b. ca. 1811 d. 1847. Uriah Williams lived in the Indian Springs area of the county and the Pates, and Sassers lived in the Patetown and Stoney Creek area of the county.

Interested in Pates, Lancasters, and Edmundsons of Wayne county.

Included in this newsletter are copies of Volume A & B of the Wayne County Recording Docket. This can be invaluable to you in searching for inventorial accounts, orphans etc. The Archives call number is the C.R. Number. Our President donated this to the Society.
