MESSAGE FROM THE PRESIDENT

Greetings:

This newsletter has very little to add from your President. I hope, through, that all of you have settled into the new year. We have a brand new President to steer the helm of our nation and of course those nagging income taxes to cope with.

I have been working on the appointment of a nominating committee and have had no luck to date. We may have to have a discussion of the matter at our next meeting which will be March the 25th. Place yet to be determined but there will be another newsletter before then.

As I have already stated, my mind is blank on Old Dobbs news at this time.

Yonne C. Hatch, President

THE FAMILY TREE by W. Neel Jackson

I think that I shall never see
The finish of a family tree,
As it forever seems to grow
From roots that started long ago,
'Way back in ancient history times,
In foreign lands and distant climes;
From them grew trunk and branching limb
That dated back to times so dim.
One seldom knows exactly when
The parents met and married then,
Nor when the twigs began to grow
With odd-named children row on row.
'Though verse like this is made by me,
The end's in sight as you can see,
'Tis not the same with family trees
That grow and grow through centuries.
