Dear Members,

This past year has been one of continued growth for our Society, we now have over 20 members out-of-state. We are running in this newsletter a list with addresses of all our members.

Please remember that July 1st is the beginning of our new year. If you can not be at the meeting please send your dues directly to our treasurer, Mrs. Cullen B. Hatch,  
{address removed}

Send your queries and pedigree charts directly to your editor, Old Dobbs Genealogical Society, P. O. Box 617, Goldsboro, N.C. 27530. Remember to read the queries in this issue, if you can help respond directly with the member, helping each other is what genealogy is all about.

Notes from all over:

Are you aware of the great work done by the Friends of the Archives? Membership is \$10 a year and the money is spent to purchase records that come available and which the Archives budget can not meet. Additionally a newsletter is sent four times a year to members and members are given a discount on publications of the Archives. If you are interested in becoming a member send your check for \$10 to Friends <sup>of The Archives</sup> 109 East Jones St., Raleigh, N.C. 27611

From my FOA newsletter; George Stephenson, Supervisor of the State Archives Search Room is leaving on a six-month research trip to Scotland in mid-June. He will be working in the Scottish Public Record Office for the Colonial Records Project searching for and copying documents relating to pre-Revolutionary North Carolina. He expects to return to duty in the Search Room about the middle of November.

This Colonial Records Project is one little know facet of our State Archives and the same kind of work is going on in England. Again we live up to our state motto, To be rather than to seem, by constantly up-grading the material that we have available for researchers.

Dr. Thornton W. Mitchell, former N. C. Archivist, is currently working on an update of the wills of the Colonial period. He is using surviving originals as well as will books and the records of the Sec. of State. He has told me that he has found many wills that have been omitted from both Grimes & Olds works. No date has been given for publication but we hope it won't be too long. This will be a major work and one that is long overdue.

My National Genealogical Society Newsletter arrived today and imagine my surprise to find Wayne Co. listed... The 3rd Annual Meeting of the Peacock Family Association will be held in Thomasville, Ga. on 22-23 of June. A special invitation is extended to descendants of Robert Peacock of Wayne Co., N.C. For information write to Mrs. Virginia  
{address removed}

Our Registrar of Deeds, Margaret Peacock, has done it again! She has copied, on

Archival paper, all surviving marriage license applications. They are much easier to use and help to preserve the originals. The county has offered the Society the chance to copy those to 1900 (this matches the date of the marriage register that the Society copied). This would also be available at the library and perhaps we could even run them in the newsletter.

This, however, brings up a point that our Treasurer made to me this week. Due to the increased size of our newsletter we spent more than we made in dues this past year. We feel though that the newsletter is of primary interest to all our members, yet we hate to raise our membership dues we would rather have any member who was so inclined to send donations in to be used in the special projects of the Society. Such gifts would be tax deductible. Such gifts should be sent directly to the Treasurer (her address is one page 1).

Many of you know that a new chapter of the DAR is being formed here and the name we hope that will be approved by National is Old Dobbs Militia. We would like to extend an invitation to any member of the Society to become a member of this new chapter. If interested please contact your editor. The name of the new chapter will be official after June 15th.

We are continuing the listing of Johnston Co. marriage bonds to 1800 in this issue. This listing has been done by Society member, Geraldine M. Dudley. Also in this issue some more cemetery records recorded by Society member, Frances G. Howell. How about the rest of you? Do you have a bible record, know of a cemetery that was not recorded in the tombstone book? If so please send the information in to me and we will run it in future issues of the newsletter. As you know because of the latesness of official recording of births and deaths bible records and cemetery records are of prime importance to us. Unfortunately many family cemeteries, on land no longer owned by descendants, are being plowed under. While this is a violation of state law, once it is done it can not be undone.

This month a new President will take office and we will have some other new officers. Our Treasurer has consented to continue the task of being in charge of our money, Yvonne has done a marvelous job, I will retain the job of editor of the newsletter, unless someone wants to volunteer for the job! The new slate of officers, to be voted on at the June meeting are:

President: Mrs. Geraldine Martin Dudley

V. President: Mrs. Carol Lang Peele

Treasurer: Mrs. Yvonne Hatch

Newsletter Editor: Mrs. Charlotte R. Carrere

Corresponding & Recording Secretary; nominations will be offered from the floor at the meeting.

Beginning this Sunday, June 10th, the public library will be closed on Sundays during the summer months. They will however open for our regular meetings. Our thanks to Ed Shearer for being so helpful to us!

Do you have a McDonald or a Campbell line? For McDonald information you should write to {address removed}. He is head of the McDonald Clan in the United States. For Campbell information, the journal of the Clan is: The Clan Campbell Society, 636 Chesapeake Trail, Virginia Beach, Va. 23452, Clan representative for our area: Walter J. Campbell, 6412 Newcastle Rd., Fayetteville, N. C. 20830.

Have any of you joined a family society or a surname clearinghouse? If so how about letting me know about it with details.

Confirmation came in this mornings mail...the new DAR chapter will be named The Old Dobbs County Militia!

#### Food for thought:

Did you know that in the 18th century many parents taught their children to read so that they could read the bible and some history. They did not teach them to write as that was not only time consuming, but the cost of ink, paper and quill pens made writing prohibitive for the average family.

When you are at the Archives do you remember to check out the miscellaneous papers of a county? There are so many goodies buried there that you will not find any where else. Case in point, society member, Frances G. Howell had long search for the names of an ancestor's children (his will simply says, "all my children"). In going through the mis. papers filed she found a division of slaves with the name of each child listed along with the names of the slaves. These records are also where you will find bastardy bonds, adoption records, patrol records, naturalization records to mention just a few.

#### Volunteers needed:

Evergreen cemetery has agreed to open their files to us so that we might include those people buried there since the cemetery book was published. These records are on cards in their office and we need someone who has the time to check them against the cemetery book. Please call me at \_\_\_\_\_ if you can help.

New books have been added in the local history room of the library. Have you stopped by lately to check out what is new? Won't tell you the names but the Society has purchased some Greene County material by Bill Murphy. Don't forget we have the abstracts of Duplin Co. Wills which Bill did as well as some Duplin County cemetery books, and Duplin County Court of Pleas & Quarter Sessions.

We also have added a family interest file in the local history room, be sure to register the names you are working on and check to see "whose doin' what!" in genealogy.

Editor's Note: Laban & Urbin Lewis were sons of William Lewis, a Revolutionary War soldier born in Dobbs County and died in Cumberland Co. in 1841. Gift deeds are recorded to these two sons in Wayne County.

We continue in this issue several cemeteries documented by Society member, Mrs. Frances G. Howell. I want to take this opportunity to again encourage other society members to record cemeteries not listed in cemetery book and to turn them in to me so that we may publish them. Please add these new cemeteries to your cemetery book or hopefully keep all your issues of the Dobbs Trails.

Mrs. Howell's comments:

Best to visit this cemetery to verify information. Mistakes could have been made due to the terrible condition of the stones. Also other graves with stones that could possible be read by using chalk and paper.

Hwy 70 West on edge of Wayne-Johnston County line- in Wayne Co. on the late Surney Ingram farm.

Very overgrown and much natural forces destructions. Broken stones, parts missing, probably buried under mulch decay. Has been a very large cemetery with wooden markers and some stone markers. Possibly at one time covered an area of 50 square feet or more.
